Parade Contingent Information

One of DC's largest spectator events, the energy-filled Pride Parade kicks off at 4:30pm on Saturday, June 9th. Participants are encouraged to embrace the 2018 theme, *Elements of US!* We're excited to see how our community and supporters will interpret this theme into their elaborate floats, decorated automobiles or vibrant costumes.

- An optional parade orientation will be held on **Wednesday, May 16 at 6:30pm** at The Foundry United Methodist Church, 1500 16th St NW, Washington, DC 20036. [Note: Festival orientation begins at 6:30pm]

- Contingents will be provided a line-up time after June 1. Line-ups begin as early as 12pm; the last lineup time for all vehicles is 4pm. You will not be granted access to your lineup street before your assigned time so please do not arrive early.

NOTICE: Only vehicles are required to show up during your lineup time. Walkers will have a different line-up time between 4pm and 6pm. While the parade kicks off at 4:30pm, it takes more than 2-hours for all contingents to depart the staging area. Due to extreme heat, we encourage walkers to stay away from the staging area until close to their estimated departure time. Again, these times will be provided to all contingents by June 1.

- If your contingent is 'walking only' (no vehicle), at least one person from your group must show up at your arrival time to reserve your space in the lineup.

The parade permit will list your arrival window and arrival street. **REGISTRANTS CANNOT ACCESS THE SITE BEFORE THEIR ARRIVAL TIME; NOR CAN THEY ENTER THE STAGING STREET AT ANY OTHER THAN THE ONE LISTED ON YOUR PERMIT.** If you have more than 1 vehicle, but sure all vehicles arrive together; otherwise, your vehicles WILL NOT be together. Due to safety, vehicles may NOT pass other vehicles on the staging streets.

- IF YOUR CONTINGENT DOES **NOT** HAVE A VEHICLE, AT LEAST ONE MEMBER OF YOUR GROUP MUST SHOW UP DURING YOUR ARRIVAL WINDOW TO CLAIM YOUR PLACE IN LINE. ASK YOUR COLOR MARSHAL WHAT TIME OTHER WALKERS SHOULD JOIN YOU AS THE PARADE STARTS.

- **Late arriving vehicles MAY be added to the end of the parade route.** Depending on the pace of the parade, if time permits, you may enter the parade from your new staging street.

- The route is approximately 1.5 miles and takes about 30 minutes to complete. If this is too far a distance for members of your group, be sure to bring a vehicle to support your team. Due to time constraints, we are required to remove any walkers that are unable to keep pace with the parade. Consider a Pedi-cab (www.nationalpedicabs.com), golf carts (parade@capitalpride.org) or motorized scooters as an alternative to walking.

- 180+ contingents will be in the parade. Due to municipal requirements ensuring the parade is no longer than three hours, we cannot accept more contingents. Additionally, each contingent is limited to 100 walkers. Your organization would be required to pay an additional registration for more than 100 walkers. Additional walkers beyond 100 cannot be added on parade day due to time and space constraints.

- It may take about two hours for the final parade contingents to cross the start line. At the parade orientation, we will provide you with your line up time window – we will factor in your approximate departure time to ensure members of your contingent do not need to wait longer than necessary before your contingent is called to start.

- **DO NOT MISS YOUR LINE-UP TIME.** Once your line-up time window has passed, vehicles CANNOT be permitted to drive into the staging area of that street. This is to ensure the safety of the waiting contingents. Contingents with multiple vehicles MUST all enter the color zone at the same time. If you're coming from different locations, plan to meet up outside of Dupont Circle and drive to the staging area together.

- The information booth will be near 22nd and P Streets. Vehicle contingents are NOT required to check-in at the desk. Vehicles will check in with their color marshal when they enter the staging area. Restrooms will be available at the Church of the Pilgrims (P Street between P & Q).

- The parade has nine staging streets. You will find out your staging street after June 1.

- The parade is a rain or shine event. As a nonprofit organization incurring substantial upfront costs, registration fee refunds are not possible.

- **Float dimensions may not exceed 9' wide x 48' long x 13' high (street to highest point).** Trailers must be towed by an accompanying vehicle and have a turning radius of not less than 90 degrees. Sirens are not permitted. Contingents may do a brief sound check in the staging area; please return to lower volume while waiting to not disturb residents.

- **Spectators are not permitted to approach parade vehicles or floats.** Any giveaways must be tossed to the crowd from vehicles or passed out by walkers along the route. These walkers must keep up with your contingent. Also, please do not whip your material at those viewing the parade. A simple toss will do!

- At a minimum, be sure to bring plenty of sunscreen and water for your contingent.

- The Judges Review Stand will be located on 14th Street, between P and Q Streets. Ticketed bleacher seating is available for \$25 per person. Person's requiring ADA access are invited to join the bleachers at no charge. www.Capitalpride.org/celebration

FAQ:

Q: How do I find the parade fees and register my contingent for the parade?

A: Contingent registration will close soon due to overcapacity. This includes the addition of vehicles, floats and walkers.

Q: Where do I find the parade confirmation packet for confirmed parade registrants?

A: www.capitalpride.org/confirmation

Q: Do all the walkers in my contingent need to be at the staging area during our line-up window?

A: No. At least one member of your organization must be present at your line-up spot on your staging road. That member must check in with your color marshal to confirm your organizations participation and hold your footprint at the staging area. Check with your color marshal for the approximate time you should invite the rest of your walking contingent to join you at the staging area. NOTE: this exception only applies to walkers; all vehicles must be in place during their line-up window. NO EXCEPTIONS

Q: When does my contingent find out where they will be in the final parade line-up?

A: www.capitalpride.org/confirmation CHECK AFTER JUNE 1; THE INFO WILL ALSO BE EMAILED

DO NOT MISS YOUR LINE-UP TIME. Once your line-up time window has passed, vehicles CANNOT be permitted to drive into the staging area of that street. This is to ensure the safety of the waiting contingents. Contingents with multiple vehicles MUST all enter the color zone at the same time. If you're coming from different locations, plan to meet up outside of Dupont Circle and drive to the staging area together.

Late arriving vehicles **MAY** be added to the end of the parade route. Depending on the pace of the parade, if time permits, you may enter the parade from your new staging street.

Q: How long is the route and what should we prepare for?

A: The route is approximately 1.5 miles and takes about 30 minutes to complete. If this is too far a distance for members of your group, be sure to have registered a support vehicle. Due to time constraints, we are required to remove any walkers that are unable to keep pace with the parade. At a minimum, have plenty of bottled water and sunscreen for your participants. Other options for walking include pedi-cabs (reserve at NationalPediCab.com); golf carts, motorized scooters.

Q: What are the requirements and limitations of vehicle/float permits, size, and more?

A: All vehicles in the parade are required to have a Capital Pride Parade vehicle permit. Each entry comes with one permit; additional permits are \$75 each (no longer available). Your permit will be emailed after June 1. Any commercial vehicles that normally require a Commercial Driver's License to operate are required to have a CDL operator.

Float dimensions may not exceed 9' wide x 53' long x 14' high (street to highest point). Trailers must be towed by an accompanying vehicle and have a turning radius of no less than 90 degrees. ALL FLOATS MUST HAVE RAILS.

Q: What is this year's theme?

A: The Capital Pride committee has chosen the theme *Elements of US*. Think about incorporating this theme into your parade contingent. Use the theme to celebrate your organization and the entire LGBT community.

Q: Where and when does my contingent need to arrive the day of the parade?

Your parade permit will detail the staging street and the time you must arrive. DO NOT PLAN TO ARRIVE BEFORE YOUR LINE-UP TIME. YOU WILL NOT BE AUTHORIZED TO ENTER THE STAGING AREA.

Q: On the day of the parade, where is contingent and volunteer check-in?

The information booth will be near 22nd and P Streets. Vehicle contingents are NOT required to check-in at the desk. Vehicles will check in with their color marshal when they enter the staging area. Restrooms will be available at the Church of the Pilgrims (23rd Street between P & Q).

Volunteer check-in is located at 22nd and P Streets; or at the end of the route. Your volunteer liaison will provide the appropriate location for your check-in.

Q: When is the Parade Volunteer Orientation Meeting?

An optional parade orientation will be held on **Wednesday, May 16 at 6:30pm** at The Foundry United Methodist Church, 1500 16th St NW, Washington, DC 20036. [Note: Festival orientation begins at 6:30pm]

Q: Where can I find information on leasing a trailer that we can decorate to be our float?

The Contingent Information page contains information on vendors that may be able to assist you.

Q: How do I register additional vehicles or motorcycles?

A: – Add-ons are not permitted due to overcapacity.

Q: Are there any limitations for items we can give away during the parade?

A: If your contingent is planning to give away any items along the parade route, they must be tossed out to the crowd. Do not pass out giveaways, as crowds will gather and cause major delays in parade traffic. Spectators are not permitted to approach parade contingents. Your contingent's marshals should help enforce this – their goal is to keep your contingent safe. Please note that giveaways should not be thrown or whipped at the judges.

Q: How can I keep up-to-date with all relevant parade information for my contingent?

A: If you have registered, you should receive e-mails from a parade liaison. If not, please contact parade@capitalpride.org

Q: Whom do I contact for additional information?

A: The parade team can be reached at parade@capitalpride.org. Questions day of the parade should be directed to the information booth at 22nd and P Streets; or volunteers with radios along the route.
